**MEMORANDUM FOR SEE DISTRIBUTION**

**SUBJECT: Policy on the Wearing of Safety Reflective Clothing While Conducting Physical Training**

**1. REFERENCES.**

- a. DODI 6055.4, DoD Traffic Safety Program, 20 Jul 99.
- b. USFK Regulation 190-1, Motor Vehicle Traffic Supervision, 27 Apr 05.
- c. United States Army in Korea Standards Handbook, 8 Jun 06.
- d. AR 385-10, The Army Safety Program, 23 August 07.
- e. AR Pamphlet 385-10, Army Safety Program, 23 May 08.

**2. PURPOSE.** To provide guidance and establish a uniform policy for USFK personnel on the wear of safety reflective clothing while conducting physical training on USFK installations. This policy supersedes the guidelines set forth in USFK Regulation 190-1 and the United States Army Korea Standards Handbook only with regard to the wear of reflective material by USFK personnel conducting physical training on USFK installations. All other guidelines with regard to the wear of reflective material by USFK personnel remain in force.

**3. BACKGROUND.** The DOD safety program requires all DOD personnel to be provided with and use applicable fluorescent or reflective personal protective equipment when exposed to traffic hazards as part of their assigned duties.

**4. DISCUSSION.**

a. Effective immediately, during hours of darkness or reduced visibility, joggers will wear a reflective vest, reflective belt, or other approved reflective material while on a public roadway, street, bicycle path, or any other right-of-way under USFK jurisdiction.

b. When physical training (PT) is conducted as a unit activity, commanders will ensure that personnel wear a reflective vest, reflective belt, or other approved

reflective material. Commanders will ensure uniformity of the type and wear of reflective material within their formations.

c. PT formation width should be limited to 3 columns while running on roads with vehicle traffic. Road guards will use flashlights during hours of limited visibility

5. DEVIATION. Deviations from this policy shall be requested in writing through the chain of command to the Commander, USFK.

6. PROPONENT. The United States Forces Korea Command Safety Office is the proponent for the policy. The POC can be contacted at commercial 011-822-7913-3934, DSN 723-3934, or 8thArmySafetyOffice@korea.army.mil.
